

NEERAJA P V

FASHION DESIGNER

PROFESSIONAL SUMMARY

Enthusiastic and creative Fashion Design graduate with a strong eye for detail and a passion for innovative design. Skilled in concept development, trend research, and garment construction, with a keen understanding of aesthetics and current fashion movements. Eager to contribute fresh ideas and grow within a dynamic fashion environment.

WORK EXPERIENCE

visual merchandiser

Feb 2025 - Mar 2025

reliance trends

Completed a one-month Visual Merchandising internship at Reliance Trends, where I gained hands-on experience in store layout planning, product display techniques, and visual presentation strategies. Developed an understanding of brand aesthetics, customer behavior, and the importance of visual appeal in retail environments.

PROJECTS

Vastra designer

Feb 2025 - May 2025

Created and presented a themed collection titled “*Vastra*” for the final academic runway show, inspired by **Gothic Fairy Tales Fashion**. The collection explored dark romanticism, fantasy elements, and dramatic silhouettes, blending storytelling with fashion design. Responsible for concept development, fabric sourcing, garment construction, and runway styling, showcasing strong narrative design and visual impact.
